New York City Trip 2019 Information
April 11 - 15**

Mission Viejo High School's Choral Music Program is a hard-working and successful organization that brings pride to the community. Recognizing the hard work ethics and talent level our kids have to offer, Choirs of American has personally invited the Mission Viejo High School Choral Music Program to participate in a mass choir performance at Carnegie Hall in New York City! This trip will undoubtedly provide a once-in-a-lifetime experience for your student. Only the top choral music programs throughout the nation are invited to such a prestigious event and it will allow our students to not only be a part of an amazing opportunity but also allow them to grow their experience in the arts outside the classroom. This trip will be a celebration of music, artistry, community and culture, so do not let this chance pass you by!

Cost and Payment Schedule

In an effort to maximize our programs trip we will combine musical experiences with the sights of NYC thus allowing our students a once in a lifetime trip they will never forget. To make this happen, we have decided to partner with Seachrist Travel who is known for providing high school music programs like us amazing travel opportunities at an affordable price.

The estimated cost for the New York City trip is **\$1600**. This includes transportation, sleeping accommodations, our performance at Carnegie Hall, performance/clinic/workshop with collegiate choral directors, 2 Broadway musicals, Sightseeing at major NYC attractions (Elis/Liberty Island, Ground Zero, Time Square, etc), all select meals, performance/rehearsal space, and all taxes, and gratuities.

This trip is only possible through continued support of the music program. If the choir cannot meet their donation/fundraising goals, it may not be feasible to participate in this choir trip and future tour events in general. This is in addition to the student voluntary contributions that are needed annually for continued support of the music program.

For our payment schedule, please see "Mission Viejo High School Payments and Cancellations" section in packet.

Payments should be made by check to: Mission Viejo High School Choir. Please include your student's name on the memo line. The first Payment for returning students was due Friday, May 25, 2018 and an accelerated pay schedule for students committing in the fall 2018 will be starting 9/14/18. This payment will reserve your spot on this trip and allow us to secure airfare. Payments do not include souvenirs, Lunches, spending money or extra (non-itinerary) activities that may be available during down time.

Should a student decide he/she would like to participate and the period of adding additional students to the trip list has passed, a waitlist will be offered. In the event that a previously committed student must drop out, a student on the waitlist would be offered to take their place. All payments would be required to be caught up to the standard pay schedule at the time of commitment. An accelerated payment schedule for new students or new school year trip additions will be collected in the fall 2018.

In the event of an absence of Mrs. Norris, a locked deposit box and envelopes is located at the front of the choir room for students to fill out and deposit in. Mrs. Norris will collect deposits to turn in for contributions for the trip.

Who's Eligible?

Although everyone in the Mission Viejo High School Choral Music Program is eligible to go, each student must audition due to skill level that such an event requires. Because both the Chamber Singers and Treble Choir are auditioned choirs, students in them automatically are able to attend this tour without a separate audition. All other MVHS Choral Music members must schedule an audition prior to turning in the first trip payment. To do this, please contact Mrs. Norris at norriss@svusd.org.

Chaperones

While we could not go on this trip without them, chaperones are responsible for the same payments and payment schedule as the students. The school requires one (1) chaperone per six (6) students. There will be one Mission Viejo High School staff member going to New York City. Should we have an excess of chaperons interested in joining the tour, a waitlist will be created. Please note: parent chaperones will not necessarily be their own student's chaperone.

There will be a mandatory chaperone meeting two (2) weeks prior to the trip as well as additional information at our trip parent meetings throughout the school year. If you are interested in being a New York City chaperone, please contact Sarah Norris at norriss@svusd.org or our webmaster at missionviejochoir@gmail.com

Fundraising

We will be holding several opportunities for our students to raise funds to help offset the cost of this trip. So far, we have our MVHS program advertisements where a portion of the company's donations will go towards the student's trip, the FivePoints Amphitheater individual fundraiser in conjunction with MVHSIMBA & our annual sweethearts dinner (February 2019). In addition, we will help each student work up trip donation letters that can be used to ask friends and family to help sponsor their trip to NYC. Please see Mrs. Norris or the choir website (www.missionviejochoir.com) for more details. **IT IS POSSIBLE TO FUND THE ENTIRE COST OF THE TRIP THROUGH FUNDRAISING.**

Trip Overview / Q&A Meeting

There will be a Parent/student meeting on **Wednesday, September 5, 2018 at 6PM** to discuss the New York trip so that everyone has a full understanding before the initial trip deposit is due. For any questions, please contact Sarah Norris by e-mail at norriss@svusd.org, our trip coordinator at missionviejochoir@gmail.com Or visit our website at www.missionviejochoir.com to stay up to date.
