

Mission Viejo HS Choir

Advertising Order Form 2026-2027

Did you know that with the decline in our state budget, programs like the Mission Viejo High School Choir are almost funded 100% outside the general school budget? Because of this, our program looks to partner with local businesses to not only fund the choir program so that we can maintain the high level of choral excellence, but also to help extend the reach of your business.

Knowing that every business is different, we'd like to extend the chance to advertise in all of our 5 choral Music Concerts throughout the 2026-2027 school year in a variety of sizes and price breaks. In addition to our choir programs, we'd like to advertise your business on our choir website so that we can help extend your advertising further than just our local high school community. (All website advertising includes your company logo artwork and a hyperlink to your business website).

Advertising also acts as an individual fundraiser for our students so please help them by indicating a MVHS student to sponsor with this advertisement request.

To advertise with the MVHS Choir, please make your selections on this form and remit payment with your artwork to the enclosed instructions.

Thank you for your continued support of the vocal arts at Mission Viejo High School!

PLACE YOUR ORDER

Program Only Advertising (Check one)

☐ Website Only.....\$200

☐ Business Card size.....\$300

☐ ½ page Advertising.....\$450
